

Ethos Volleyball Club

Hotel Policy

2019-2020 Season

Elite Teams

- Players will room with their teammates (3-4 per room)
 - Cost of the players' room will be split evenly among the players
- Coaches will monitor kids, enforce curfew & set lights out/wake up times
- The club will book rooms for Players & Coaches
 - Once booked, parents will be told of the location so they can book at the same hotel if they desire
- Parents are allowed to stay wherever they'd like (at the same hotel, with a friend, not come at all, etc.)

Travel, Youth, Boys Teams

- Players will room with their parents anywhere they desire
 - The club will book rooms for the coaches only
 - Ethos is NOT responsible for booking rooms for players or their parents
- It is the club's desire that most players will choose to stay at the same hotel for bonding/carpooling purposes
 - The team parent can hopefully help coordinate this
- All players are expected to stay in the hotel the night PRIOR to playing
 - i.e. Do not drive up the morning of a competition as road conditions, traffic, a flat tire, etc. would jeopardize your punctuality and the drive would make your child tired/sore prior to playing
