DEC/JAN
2020

Our TENTH year is going to be a big one!

Can you believe Ethos Volleyball Club is a DECADE old?? It's a new decade starting and a bigger and better Ethos! We are excited to make this year the best yet with new team mascots, throw-back uniforms, and reopening some of our branch locations in Nashville and Clarksville. The first two months have been BUSY to say the least with the Holiday Extravaganza benefitting the Love Scholarship Fund, our first Power League, tournaments in both Tennessee and Kentucky, and 2 of our 18 Elite players signing with colleges to continue their volleyball career. With 21 teams this year and 4 branch locations, Ethos continues to reach new communities but also stay true to our roots by offering great volleyball programs that keep costs & travel time down, encourage friendships and hopefully honor God in all we do!

Power League #1 - Results

The 1st Ethos Power League for the 2020 season was a huge success. Our teams showed massive improvement and the friendly competition was described as “fun” or “energetic.” Overall it was a great “dress rehearsal” before their first official tournaments and we want to thank all the families for coming and being the best cheerleaders for the teams!

Pools for Power League #2 are determined by the results from Power League #1. Play well and you move up, play poorly and you move down. A little healthy competition pushes the girls to grow more within the safety of the Ethos family.

**Let's
Congratulate our
Senior Scholars!**

So far this winter 2 of our 18 Elite Seniors have signed to continue their volleyball career in college. **Delainee Gibson** is headed to the University of Illinois Springfield and **Emilee McDonald** will be playing for Nashville's own Trevecca Nazarene University. We are so proud of these two ladies on this milestone!
