

Hotel Policy

This policy applies to all “travel” tournaments which is defined as more than 80 miles outside of Nashville.

Staying as a Team

Who: ELITE teams only

How: 3-4 girls per room (double beds or queen beds)

Hotel: Ethos will choose the hotel and book rooms at a bulk discount for players & coaches ONLY. Parents are responsible to find their own accommodations.

Cost: Cost for the Team Room will be divided equally among the players and billed to the parents.

Note: The player must stay in the hotel the night prior to competition. Failure to show up the night before will result in reduced (or zero) playing time the following day

Parents are encouraged to room together (to keep costs down), use your own hotel points at any hotel of your choosing, stay with a friend, or even take the weekend off and stay home

Staying with Parents

Who: TRAVEL teams

How: Parents are responsible for finding their OWN hotel. The club will NOT be booking rooms for players on teams at these ages. The club will only book for our coaching staff at these events.

Hotel: Parents are welcome to choose ANY hotel accommodations they would like.

Note: The player must stay in the same city the night prior to competition. Driving up the morning of an event is NOT the same as a good night’s rest and has lots of inherent risks (traffic, break-down), etc.

Cost: Parents are responsible for covering the cost of their room.

Please Note: At tournaments requiring a “Stay-to-Play” policy, Ethos will ask each team parent (elected at uniform fitting night) to line up the team hotels via the tournament hotel coordinator. We cannot keep our hotel policy if it jeopardizes our ability to play in the tournament.
