ALL TRYOUTS HELD AT

Valor Flagship Academy
4527 Nolensville Pike, Nashville TN 37211

How old will you be on July 1 of 2022?

The answer to this question determines your AGE GROUP for club volleyball purposes

Example: If you are currently 12 but turn 13 in June, then you are considered "13" for club volleyball purposes and should attend the 13s tryout times

Make-up tryout dates are for those who could not attend the regular tryout time/date. Choosing to attend a make-up date in lieu of a normal tryout date is not encouraged.
