

## Hotel Policy

This policy applies to all “travel” tournaments which is defined as more than 80 miles outside of Nashville.

### **Staying with Parents**

**Who:** ELITE, TRAVEL PLUS & TRAVEL teams

**How:** Parents are responsible for finding their OWN hotel. The club will NOT be booking rooms for players on teams at these ages. The club will only book for our coaching staff at these events.

**Hotel:** Parents are welcome to choose ANY hotel accommodations they would like.

**Note:** The player must stay in the same city the night prior to competition. Driving up the morning of an event is NOT the same as a good night’s rest and has lots of inherent risks (traffic, break-down), etc.

**Cost:** Parents are responsible for covering the cost of their room.

## **STAY-TO-PLAY TOURNAMENTS**

Some tournaments require teams to book all hotels through their preferred hotel provider (aka a “**Stay-to-Play**” policy). At these tournaments, Ethos will ask each **team parent** (elected at uniform fitting night) to help facilitate their team’s hotel rooms via the housing company. It is typically as easy as selecting a hotel, getting a room block of approx. 10-11 rooms and then letting parents pay for their individual room using an access code.

The only stay-to-play events for this year are listed below:

- **Sweet Tea Challenge (Jan 15-17) – Hoover AL**
- **Cape Girardeau Classic (Feb 12-13) – Cape Girardeau MO**
- **Backyard Bash (April 9-10) – Cape Girardeau MO**

At all other tournaments, the parents & players are free to book at any hotel they choose.
